

First Sound Bank.

Experienced. Innovative. Sound.

As part of this year's United Way Day of Caring, First Sound Bank employees helped paint Wonderland Developmental Center's new location in Shoreline! Wonderland is a non-profit organization providing early intervention services for children from birth to three years of age that have special needs.

They have a team of physical and speech therapists, special educators, mental health professionals and family resource coordinators dedicated to helping children meet healthy developmental milestones.

To learn more or to donate to this fantastic organization visit their website at wonderlandkids.org.
